BBQ area hire: Costs, conditions & booking form

Cost:

The cost to hire the BBQ area is **\$300.00 Members** and **\$360.00 Non-Members** per function.

Deposit:

A deposit of \$200.00 is to be paid at the time of booking the BBQ area. The balance is to be paid no later than 14 days prior to the date of the function. **Cancellation of the BBQ area without 14 days' notice will forfeit deposit.**

Deposit Refund:

Provided the BBQ area is **left in a clean and tidy condition, with no loss or damage to any equipment and all waste is placed in the bins provided**, your deposit will be refunded on the next working day.

Date/Time:

The hirer must advise us the date/time the function is to commence and the approximate time of completion. The BBQ area booking is allocated in 6-hour intervals.

Drinks:

The law states that beverages, either alcoholic or non-alcoholic (including bottled water) must not be bought onto any licensed premises.

Members, Guests and Minors:

All persons 18 and over entering the bar and poker machine areas must have proof of age and sign-in the Club's Register.

Minors must always be supervised.

Responsible Service of Alcohol:

By law, the Club's Duty Bar-person is to uphold responsible behaviour. It is your responsibility to ensure your guests behave in an appropriate manner. The Duty Bar-person has the absolute right to request proof of age, to refuse service of alcohol and to ask any person or persons to leave the Club premises if they misbehave or become intoxicated. **Heavy fines may apply if Police action is required.**

Security:

Certain functions will require professional licenced security guards in attendance, which will be the responsibility of the hirer. This may be arranged by you directly or by the Club on your behalf, but the security firm must be licenced. Failure to abide by this rule will result in closing the function down, asking you to leave the premises and loss of your deposit. **Police are notified of any function requiring security. All functions are to be approved by the secretary/licensee of the Club.**

Equipment Hire:

If you are hiring a **jumping castle**, the jumping castle provider **must be licenced and insured. Jumping castles must always be pegged to the ground.**
